PLEASE READ CAREFULLY, AS WE HAVE RE-DEFINED AND CLARIFIED OUR MISSION & RULES:

The mission of the Abernethy Spring Fiber Sale is to support local farmers and artisan makers. At least 80% of your product must be locally sourced and/or produced.

- The Jury is comprised of the Area Director(s) and Fiber Sale Committee.
- **We reserve the right of acceptance of all vendors. All vendors (including those sharing a space) will be juried.** Vendors will be selected by who best meets our “Buy Local” emphasis.
- ****Please send 2 or 3 photos of previous booth space showing your goods for the Jury to utilize!**
- **No resale of items from other sources**, re-packaged, non-value-added materials whether commercial or handmade; inclusive of imported items.
- **Equipment vendors must be the makers of that equipment** (i.e. carders, spindles, knitting needles, swifts, etc.). **No imports, please.** All potentially dangerous equipment must be displayed in a safe, controlled manner and never left unattended.

The Abernethy Grange has two floors; both are accessible from outside without stairs to climb. Downstairs has room for more vendors and both restrooms.

The upstairs area has a wooden dance floor. **Absolutely no scraping, dragging or dropping of bins, racks or other materials on the dance floor.** All racks and tables must have protective pads underneath. Plastic coated table legs are OK. Please do not set water bottles, coffee cups and soda cans or any damp items on the floor. **No food is allowed upstairs** because of the wood floor. Drinks allowed in closed containers only. Clean up any spills or rainwater immediately.

• No live animals are allowed in the building or on the Grange property (except service animals).

- Vendor space sizes are all approximately the same square footage but are different configurations to fit the floor plan of the grange. Vendors will be limited to one space and will be placed at our discretion. Two vendors may share one space, and half spaces may be available.
- A limited number of tables are available. Please mark on registration form if you need one. They are stored downstairs and must be returned to storage after the sale closes on Saturday.
- Vendors are responsible for their booth and display materials. They should be sturdy, safe, and inside the taped boundaries.

Any Public Health restrictions which may occur will deem that we will follow the State of Oregon recommendations. (Covid, etc)

SETUP: The Grange Hall will be open for setup Friday, March 14th from 3pm to 7 pm and Saturday, March 16th from 7AM to 9:30 AM. All vendors must be set up by 9:30 am Saturday.

There is no night security available. We, the committee and Abernethy Grange, do not assume any responsibility for lost, stolen or damaged inventory left overnight or during the sale. We suggest you set up Friday if possible and bring your products Saturday morning.

PARKING: There will be vendor parking at Erickson Construction. Please park there as soon as all your merchandise and display items are unloaded. Do not move your vehicle close to the building for reloading Saturday afternoon until you are fully packed and ready to leave the show.

***IMPORTANT:** If you start to pack up and/or leave before 4 pm, you will not be invited to vend the following year.*

Please sign and date this form and return it with registration.
