The Abernethy Grange has two floors; both are accessible from outside without stairs to climb. Downstairs has room for more vendors, the restrooms.

### PLEASE READ CAREFULLY, AS WE HAVE RE-DEFINED AND CLARIFIED OUR MISSION:

- The mission of the Abernethy Spring Fiber Sale is to support local farmers and artisan makers. At least 80% of your product must be locally sourced and/or produced. No resale of items from other sources, re-packaged, non-value-added materials whether commercial or handmade. We reserve the right of acceptance of all vendors. All vendors (including those sharing a space) will be juried. Vendors will be selected who best meet our “Buy Local” emphasis and give a wide variety of products to the sale overall.
- Equipment vendors must be the makers of that equipment (i.e. carders, spindles, knitting needles, etc). No imports, please. All potentially dangerous equipment must be displayed in a safe, controlled manner and never left unattended.
- The upstairs area has a wooden dance floor. Absolutely no scraping, dragging or dropping of bins, racks and other heavy materials. All racks and tables must have protective pads underneath, such as rubberized shelf covering. Plastic coated table legs are OK. Please do not set water bottles, coffee cups and soda cans or any damp items on the floor. No food is allowed upstairs because of the wood floor. Drinks allowed in closed containers only. Clean up any spills or rainwater immediately.
- No live animals are allowed in the building or on the Grange property (except service animals).
- Vendor space sizes are all approximately the same square footage but are different configurations to fit the floorplan of the grange. Vendors will be limited to one space and will be placed at our discretion. Two vendors may share one space and half spaces are available.
- A limited number of tables are available. Please mark on registration form if you need one. They are stored downstairs and must be returned to storage after the sale closes on Saturday.
- Vendors are responsible for their booth and display materials. They should be sturdy and safe. and inside the taped boundaries.
- Covid restrictions will follow State of Oregon recommendations.

**SETUP:** The Grange Hall will be open for setup Friday, March 17th from 3pm to 7 pm and Saturday, March 18th from 7 am. All vendors must be set up by 9:30 am Saturday. There is no night security available. We, the committee and Abernethy Grange, do not assume any responsibility for lost, stolen or damaged inventory left overnight or during the sale. We suggest you set up Friday if possible and bring your products Saturday morning.

**PARKING:** There will be vendor parking at Erickson Construction. Please park there as soon as all your merchandise and display items are unloaded. Do not move your vehicle close to the building for reloading Saturday afternoon until you are fully packed and ready to leave the show. **IMPORTANT:** If you start to pack up and/or leave before 4 pm, you will not be invited to vend the following year.
